Stainless Steel Hose Clamp, Worm Gear Hose Clamp

Band width : 14.2mm(9/16) thick: 0.65mm

Cheng Heng's stainless steel hose clamp suitable for home, automotive, industrial applications.

Four pieces construction: Full strength of material to provide maximum anti-shear protection.

There are no spot welds to rupture under stress or corrosion.

ALL 304 Series hose clamp : ... AISI 304 Series Stainless Steel Band, Saddle, Housing, Screw

Durability torque: 60 lbs-cm; suggest install torque 70% of durability torque

part no	CLAMPING RANGE	CLAMPING RANGE
	Min-Max(inch)	Min-Max(mm)
